DOWNTOWN JEWISH CAMP UPDATES / COVID 19

This is an addendum to the DJP **Updated Policies and Guidelines**

This is in addition to those rules and regulations and are specific to Summer camp.

You must read both and sign waiver

Due to the limited number of children, we are allowed per class and the increase of expenses due to corona regulations, the following has been implemented for summer camp.

- All children must register for the whole summer. If there is sufficient enrollment we will allow for weekly registration.
- No monies will be reimbursed if you choose to leave early or for absences or tardiness
- Children who are registering for a full day are first on the list
- Once those spots are full, half-day children will be accepted.

- Once the class fills up, a waiting list will be created to see if we have enough to open another class.
- As long as the camp is running per CDC and DCF guidelines, no refunds will be given due to a child's illness and or inability or change of mind to attend camp.
- We have the right to cancel camp at any time due to new health updates or guidance from CDC or DCF or our medical and legal board.
- If we cancel or close camp due to the above, you will be reimbursed for the remainder of the time, less 10 percent to help us cover costs
- If camp is temporarily closed due to covid19 in a staff member or child – we will close for the recommended number of days without reimbursement or adding days to the end of the summer.
- We will NOT do zoom/virtual camp at that time.
- Camp fees must be prepaid every two weeks or paid in full at the start of camp
- We are not adding additional COVID 19 surcharges
- At this time LUNCH and afternoon SNACK are NOT included in the fees.
- Lunch and afternoon snack is additional \$7 per day

Water play

- All water toys will be disinfected daily and between classes
